

Interagency Interoperability Oversight Group

Central Oregon Interagency Integrated Radio Pilot Project

MEETING NOTICE

Who

- All Employees who rely on radio communications while working in the Central Oregon area including - Deschutes NF, Ochoco NF, Prineville District BLM, Crooked River National Grasslands;
- Stakeholder Representatives from Cooperating Agencies including Deschutes County Sheriff, Crook County Sheriff, Jefferson County Sheriff, Warm Springs Agency, Oregon Department of Forestry (ODF) and the Oregon Wireless Interoperability Network (OWIN)

What

- Consultant Contractors from Management Analysis Incorporated (MAI) and AECOM will present their findings on the business needs for the radio system. This information was gathered during the December 2010 meetings in the area.
- **The preliminary report will be available on February 9, 2011 on the IIOG website at <http://www.IIOG.gov>. Please review this document in advance of the meeting.**

When

- Friday, February 25, 2011 – 9:00 am – 12:00 (main meeting)
- Follow-on meeting for additional in-depth questions/answers from 1:00 pm – 2:00 pm

Where

Deschutes National Forest Supervisor's Office
Large Conference Room
1001 SW Emkay Drive
Bend, OR 97702

Why

It's all about Safety! This is your opportunity to ensure that the radio system of the future provides adequate communications coverage for you and your employees while at work.
